F Z[e UagdeWj/FWVefZWaSeS V

drum set

Percussion Class

Offered: A, BC, C, H ST, HH, NG, SC, SP

**PREREQUISITE(s):** *Band director recommendation*

Drum set class provides students with the opportunity to learn the fundamentals of drumming. Students will learn proper technique and rhythm patterns. This class is suitable for students who are interested in playing drums and are looking for a challenge.

Guitar I (grades 10-12)

Offered: C, GVA, HH

**PREREQUISITE(s):** *Consent of Instructor*

Guitar I is designed for students who have little to no prior experience with the guitar. The course covers basic guitar techniques, including strumming, chord playing, and simple songwriting. Students will learn to play a variety of popular music styles.

Guitar II (grades 10-12)

Offered: C, HH

**PREREQUISITE(s):** *Guitar I*

Guitar II builds upon the skills learned in Guitar I. Students will explore more advanced techniques, such as lead guitar playing, soloing, and complex chord progressions. They will also have the opportunity to perform and write more sophisticated pieces of music.

GCS CHORUS COURSE DESCRIPTIONS

Chorus – Beginning

Offered: A, BC, C, EG, F, H ST, HH, NG, SP, SC

Beginning chorus class is for students who are new to singing in a chorus. The course focuses on developing vocal range, pitch accuracy, and basic harmony. Students will learn to perform a variety of songs and will be encouraged to participate in school and community performances.

**PREREQUISITE(s): Chorus- Intermediate or Teacher Recommendation**

# CAREER & TECHNICAL EDUCATION (CTE) PROGRA

## ACCOUNTING (ACCT) PATHWAY COURSE DESCRIPTIONS

### Accounting I – (Standard or Honors)

Offered: A, H ST

#### **PREREQUISITE(s): None**

Accounting I is a course that introduces students to the fundamental principles and practices of accounting. It covers topics such as the accounting cycle, journalizing, posting, and preparing financial statements. The course is designed to provide students with a solid foundation in accounting and prepare them for more advanced courses in the field.

### Accounting II – Inherently Honors

Offered: A+ H ST

#### **PREREQUISITE(s): Accounting I**

Accounting II is a course that builds on the knowledge and skills acquired in Accounting I. It covers more complex accounting concepts and practices, such as cost accounting, budgeting, and internal control systems. The course is designed to challenge students and prepare them for careers in accounting or for further study in the field.

## ADOBE ACADEMY (ADAC) PATHWAY COURSE DESCRIPTIONS

### Adobe Visual Design I (Standard or Honors)

Offered: A, BC, C, E G, F, H ST, H H, N G, SP, SC

#### **PREREQUISITE(s): None**

Adobe Visual Design I is a course that introduces students to the fundamentals of visual design. It covers topics such as color theory, typography, and layout design. The course is designed to provide students with a solid foundation in visual design and prepare them for more advanced courses in the field.

### Adobe Visual Design II (Standard or Honors)

Offered: A, BC, C, E G, F, H H, H ST, N G, SP, SC

#### **PREREQUISITE(s): Adobe Visual Design I**

Adobe Visual Design II is a course that builds on the knowledge and skills acquired in Adobe Visual Design I. It covers more complex visual design concepts and practices, such as branding, user interface design, and motion graphics. The course is designed to challenge students and prepare them for careers in visual design or for further study in the field.

### Adobe Digital Design I (Standard or Honors)

Offered: SP

#### **PREREQUISITE(s): None**

Adobe Digital Design I is a course that introduces students to the fundamentals of digital design. It covers topics such as user interface design, user experience design, and digital marketing. The course is designed to provide students with a solid foundation in digital design and prepare them for more advanced courses in the field.
