

The board is committed to creating safe, orderly, clean, and inviting schools for all students and staff. To this end, the board supports state laws that prohibit the sale or distribution of tobacco products to minors and that prohibit the use of tobacco products by minors. The board also supports state and federal laws that prohibit the use of tobacco products in school buildings, on school campuses, and in or on any other school property owned or operated by the school board. For the purposes of this policy, the term “tobacco product” means any product that contains ~~or that is made or derived from~~ tobacco and is intended for human consumption. The term “tobacco product” also includes alternative nicotine products (noncombustible products that contain nicotine, whether natural or synthetic, but do not contain tobacco and are intended for human consumption whether chewed, absorbed, dissolved, ingested, or by other means), consumable products (nicotine liquid solutions or other materials containing nicotine that is depleted as a vapor product is used), vapor products (noncombustible products that employ a mechanical heating element, battery, or electronic circuit regardless of shape or size and that can be used to heat consumable products) including all lighted and smokeless tobacco products, as well as electronic cigarettes, electronic cigars, electronic cigarillos, and electronic pipes, and components of vapor products, vaporizers, and other electronic smoking devices even if they do not contain tobacco or nicotine.
