Home of the Fine Arts...

...and progress is significant. We are proud to provide you with information on our school's achievements through the North Carolina Report Card. This Report Card includes important information about school and student performance.

For the 2010-2011 school year, we received a grade of "B" for overall performance. This is a significant improvement from our previous grade of "C" in 2009-2010. We are proud of the progress we have made and the hard work of our staff and students.

The following table shows the school's performance in various areas:
